DECEMBER REGIONAL RETREAT

PRESENTED BY INNER PEACE MOVEMENT INTERNATIONAL

For over 50 years, Inner Peace Movement® programs have firmly established itself across the United States and Canada and is available in 37 countries around the world. IPM has helped people define their inner values, share on a soul to soul, person to person level, and respect that they are the architects of their own fulfillment.

The spiritual needs of people are greater today than ever before. All over the world people are asking the same questions:

- “Who am I?”
- “Where did I come from?”
- “Where am I going?”

It is an innate drive inside a person to strive for the answers to these questions.

Regional Retreats give you opportunity to regroup the reason why you are here and help strengthen your relationships with others for better teamwork and communications.
